Q2. You reported that the business, [TX*A3/A3], was registered as a [*C1/C1 LEGAL ENTITY TYPE] in [C3 MONTH/YEAR]. Once a business has been registered as a legal entity, the business itself can engage in financial transactions. It is useful to consider the financial support as having two phases, financial support provided before the business is actually registered as a legal entity and financial support provided after the business has been registered as a legal entity. I will first ask you about financial support before the (new) business was a registered legal entity.

1. CONTINUE

Q3. I will now review some of the information you gave during the last interview regarding funds provided by each person or legal entity that will expect to own part of this (new) business (before [TX*A3/A3]/the (new) business) was registered as a [*C1/C1 LEGAL ENTITY TYPE]). For each item please tell me if you still consider the amount to be accurate.
